Simple Installation

- Extra safe low voltage lighting
- No lowering of pool water required
- No drilling or cutting needed
- **Upgrade to an LED lighting system in under an hour!**

Designed for fit

- Designed specifically to replace existing AQUA/LAMP® pool lights quickly and easily.
- UL Certified detachable cable connection.

High Output LED

- With brighter output than a 100w halogen globe and MULTI PLUS LED technology, the RETRO Series will light your pool up like never before!
